# Students Masterpiece of the week...

## FAIRY HOUSES

A group created beautiful little fairy houses and doors using a variation of materials including popsticks, hot glue, felt and paper. Using their imagination the students created unique creations that we then placed in the garden to welcome the fairies. A great little activity where the students could use their creative thinking skills as well as develop their fine motor skills with the glue gun.

# Riddle of the week

**Why are teddy bears  
never hungry?**

Because they are  
always stuffed.

# Get to know our staff...

OSHC STAFF:  
Kayla Arnold

My name is Kayla. This year is my third year working at Keithcot Kings OSHC, and I have loved every minute!

I am currently in my fourth year of University, studying a Bachelor of Primary Education (Honours). I also work as an SSO, and at another OSHC in the Northern Suburbs.

Becoming an educator has always been a dream of mine, and working at Keithcot Kings has allowed me to further develop my skill set, and also confirm my passion.

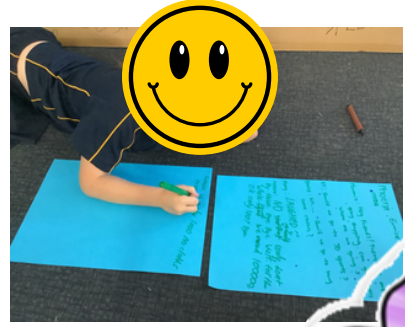

My favourite part of OSHC is Vacation Care, where we do all sorts of fun activities. Watching children create new friendships with others, and learn and grow together is really special.

Outside of work I spend a lot of my time outdoors, either camping with friends or visiting my family in the Riverland riding motorbikes and skiing on the Murray.

If you have any questions feel free to grab me for a chat next time you're in OSHC!
