OSHC UPDATES

OSHC Educators Day

OSHC Educators Day was celebrated on the 29th of July. On behalf of the Keithcot Kings OSHC we would like to express our gratitude to our OSHC Community for showering us in gifts, kind words and appreciation. All educators felt extremely valued and loved.

Staffing Adjustments

We have some exciting news regarding staffing adjustments we would like to share.

Kayla has accepted a teaching contract for the rest of term and Tuesday 10th of August will be her last day. We congratulate Kayla and she will be missed, but we can't wait to see her again in the school holidays

Brie has moved into a part-time position and will be working alongside leadership to make some improvements within the OSHC Environment. Brie's new position involves planning the small group and cooking activities each week. She will also be focusing on improving our Seniors space, with new displays. Keep a look out for her great work!

Vacation Care Expectations Reminder

A friendly reminder that during Vacation Care children are required to bring hats, drinkbottles, a packed recess and lunch and appropriate clothing. We have noticed an increase in children attending OSHC without these items.

Cards for childhood cancer

Recently at OSHC, alongside with our Cards for Seniors, we have started making Cards for Childhood Cancer. These cards are extremely valuable, and we would love to see children to continue their support in these projects.

VACATION CARE REWIND
